Kelly -

Enclosed is a booklet entitled "Instructions for Installation and Operation of WACA Oil-Damped V-0 Records", January 1950. Also enclosed is the pertinent portion of a memorandum from Mike to Jack, which will fill you in regarding the instrument.

Dick has requested that I forward the booklet to you and requests your urgent consideration of this matter. The requirement comes into being as a support for [redacted]

We should appreciate hearing from you on this at your earliest convenience.

Thanks
